Hi, I'm Carla. I'm a student at secondary school. I love my lessons but my favourite lesson is science. I guess I will study medicine at university. I want to be a good doctor and help people for their health. I think I will be successful in my career and be a famous doctor. I have a dream. One day I will find a cure for cancer and save lots of people from this illness. My dream seems impossible but maybe I will success. I want to see different places in the world and meet new people. It will be great to know their cultures and habits. Maybe I will get married and have children but I'm not sure about it. Who knows?
