CAPPADOCIA

Cappadocia is in Türkiye, between Nevşehir, Ürgüp, and Avanos. 60 million years ago, wind and rain shaped the soft ash and lava from volcanoes. This made the famous fairy chimneys.

A long time ago, people lived in these fairy chimneys. Humans have lived in Cappadocia since the Palaeolithic era. Many different groups stayed there until 1952.

There are many churches, villages, and underground cities in Cappadocia. This makes it one of the biggest cave systems in the world!
